

Student Maps & Posters

Wanted for KY GIS Conference

Maps and GIS posters created by high school students in KY to be featured during the 2005

KY GIS Conference

Your participation will help us provide recognition for student GIS efforts in KY high schools and an opportunity for teachers to view results of GIS programs in schools throughout the Commonwealth.

Please submit your most creative maps and/or posters featuring an aspect of GIS. An entry form is required for each map or poster submitted and will be used to create name plates for this special display.

Submissions are due no later than August 9, 2005.

2005 KY GIS Conference
August 22-25, 2005
Bowling Green, KY
